IN THE CIRCUIT COURT FOR THE STATE OF OREGON FOR THE COUNTY OF MARION

SANDRA KUCERA, an elector of Oregon and candidate for Vice_President of the United States,	Case No
SARAH THERESE WINDER, KRISTIN ZUBEL, and NATALIE BOLTON, each an elector of Oregon and signor of a petition for nomination of Ralph Nader for President of the United States and Sandra Kucera as Vice-President of the United States and as a circulator of said nominating petition,	AFFIDAVIT OF GREGORY KAFOURY
PHILLIP SALISBURY and SAMANTHA BERG, each an elector of and signor of a petition for nomination of Ralph Nader for President of the United States and Sandra Kucera as Vice-President of the United States,	
TIMOTHY JOHNSON, a circulator of said nominating petition who is not an elector of Oregon,	
GREGORY KAFOURY, an individual, an elector of Oregon and Co-Chair, Nader for President 2004 in Oregon,	
Plaintiffs,	
v.	
BILL BRADBURY, Secretary of State,	
Defendant.	

1 - AFFIDAVIT OF GREGORY KAFOURY

STATE OF OREGON

County of Marion

I, Gregory Kafoury, being first duly sworn, do hereby depose and say:

) ss.

- I am a volunteer for the Nader/Kucera Campaign, and have served as co-director of the Oregon Campaign, along with my law partner, Mark McDougal.
- 2. Attached hereto as Exhibit "A" is a copy of a signature sheet in which I am the circulator in Multnomah County #02706. The Secretary of State has rejected this sheet and all five signatures on it, despite the fact that all five were validated by Multnomah county.
- 3. I changed the date from 08/17/04 to 08/19/04 by turning the "7" into a "9". I re-signed my name over the correction. I can think of no possible basis for this sheet to be struck except for the correction on the signature date.
- 4. I secured all the signatures on August 19, 2004.
- 5. This affidavit is based on my personal knowledge.

Dated this _____ day of September, 2004.

Gregory Kafoury

SUBSCRIBED AND SWORN to before me this ____ day of September, 2004.

Notary Public for the State of Oregon

2 - AFFIDAVIT OF GREGORY KAFOURY
